Althea,

OK. I saw the copy of the 213RR you generated last Friday. That was signed by the FSC, so I'm not sure what else you need. If it is a copy of an increase to the GSA IA, LaMonica Collins is working that and can provide those. I will contact her to see that she copies you on that. I hope this is what you need.

Regarding tasking, I will send Melody an email, tasking her to provide support to the REOC based on your request (and 213RR). I will get a log of her hours and generate a quick cost estimate for that and send it to you. Hopefully by tomorrow. Sorry, just been a bit busy on other documentation issues, but I will hopefully get caught up this weekend.

Please let me know if I'm missing something.

Thanks,

Derek

Derek,

We'd like to have continued support from Serrano over the weekend. I will submit a 213RR for this. REOC is still looking for the tasking/financial documents on this. Thanks.
